| Serial Number | Lot number | Date | Quantity (kgr) | Packing Type |
|---------------|------------|------|----------------|--------------|
| 1             |            |      |                |              |
| 2             |            |      |                |              |
| 3             |            |      |                |              |
| 4             |            |      |                |              |
| 5             |            |      |                |              |
| 6             |            |      |                |              |
| 7             |            |      |                |              |
| 8             |            |      |                |              |
| 9             |            |      |                |              |
| 10            |            |      |                |              |
| 11            |            |      |                |              |
| 12            |            |      |                |              |
| 13            |            |      |                |              |
| 14            |            |      |                |              |
| 15            |            |      |                |              |
| 16            |            |      |                |              |
| 17            |            |      |                |              |
| 18            |            |      |                |              |
| 19            |            |      |                |              |
| 20            |            |      |                |              |
| 21            |            |      |                |              |
| 22            |            |      |                |              |
| 23            |            |      |                |              |

**Notes :**

1. The quantity of the estimated production, which has a tolerance percentage of +/- 10%, shall be subtracted with the record of the sales vouchers in the attached table, which shall be filled out and signed by the entrepreneur, as well as by the Inspection & Certification Organization at the end of the present certificate's validity period.
2. In the event that the produced quantity exceeds the estimated production by + 10% of this, an additional certificate is issued after the interested party's application, which is necessarily accompanied by the relative documentation.
